

## Directions

### Car Parking

There is very limited parking at the office but there are public car parks that may be used - also limited on-street parking on Hyde Street. The public car parks are marked with a 'P' on the map. The Worthy Lane car parks are the nearest. There are other car parks in the City Centre - please follow the signs.

### By road: from the North on the A34

Take the Winchester exit (B3420) shortly after the Sutton Scotney Service Station. Proceed South on the B3420 into Winchester and take a left hand turn into Worthy Lane. The Worthy Lane car park is on your left.

### By road: from the North via the M3 and A33

Leave the M3 at Junction 11. Follow signs to Winchester. At the second roundabout, turn right into St. Cross Road (B3335) and follow the road all the way into the city centre. At the traffic lights at the T junction, turn right into Jewry Street. Filter in to the one-way system. As you approach the traffic lights at the junction with City Road remain in the right hand lane but go straight through the middle of the traffic lights into Hyde Street. City Business Centre is on the right, soon after the White Swan public house.

### Park and Ride

If you wish to use the Park and Ride scheme, leave the M3 at junction 10 and follow signs for the Park and Ride. Board the bus and get off outside the Benefits Agency in City Road. Walk down to the traffic lights and turn left into Hyde Street. Walk down Hyde Street and City Business Centre is on the right.

### By rail

The Railway Station is about a 5 minute walk from the office. Walk down the hill to the traffic lights. Directly opposite is a small lane called Swan Lane. Continue down Swan Lane and turn left at the end. City Business Centre is on the right. Train Information 08457 484950
